

**Texas Commission on Environmental Quality  
Texas Low Emission Diesel (TxLED)  
Producer and Importer Registration Form**

**TEXAS COMMISSION ON ENVIRONMENTAL QUALITY**

*Instructions for completing this form begin on Page 4.  
Please complete all fields unless noted*

**FOR TCEQ OFFICIAL USE ONLY**  
To be completed by TCEQ if original submission (refer to Question 1)  
**Company ID#:** \_\_\_\_\_

**Section I:**

1. Registration (please place a ✓ mark in the appropriate box):  Original  Update

*30 TAC 114.314(a) – Each producer and importer that sold, offered for sale, supplied, or offered for supply diesel fuel from its production facility or import facility that may have been used in counties listed in §114.319 of this title (relating to Affected Counties and Compliance Dates) on or before April 1, 2005, shall register with the executive director by May 1, 2005.*

*30 TAC 114.314(b) – Each producer or importer that did not begin to sell, offer for sale, supply, or offer to supply diesel fuel from its production facility or import facility that may ultimately be used in counties listed in §114.319 of this title until after April 1, 2005, shall register with the executive director at least 30 days prior to the first date the diesel fuel is to be made available for use in the listed counties.*

**Section II:**

2. Company ID #: (Leave blank if original submission) \_\_\_\_\_

3. Company Name: \_\_\_\_\_

4. Business Mailing Address: \_\_\_\_\_

5. City: \_\_\_\_\_ 6. State: \_\_\_\_ 7. Zip: \_\_\_\_\_ - \_\_\_\_\_

8. Contact Name: \_\_\_\_\_

9. Title: \_\_\_\_\_

10. Telephone #: \_\_\_\_\_ - \_\_\_\_\_ - \_\_\_\_\_ Ext. \_\_\_\_\_ 11. Fax #: \_\_\_\_\_ - \_\_\_\_\_ - \_\_\_\_\_

12. E-Mail: \_\_\_\_\_

13. Business Activity: (Please place a ✓ mark in the appropriate box.)  Producer  Importer

**Section III:** You may use this form to report confidential data. If you do, place a ✓ mark in the following box.  **CONFIDENTIAL**

14a. Does your company produce or import TxLED that may be used in any of the 110 Texas Counties affected by the TxLED regulations? (See question 19 for list of Texas Counties affected by the TxLED rules)  
 Yes (complete Registration Form)  No (Registration is not required)

14b. What type of TxLED will be produced or imported by your company? Place a ✓ mark in all appropriate boxes.  
 TxLED by specification– [30 TAC 114.312(b) & (c)],  
 California diesel by specification or CARB certified alternative diesel formulation– [30 TAC 114.312(e)],  
 TCEQ approved Alternative Diesel Formulation– [30 TAC 114.312(f)], or  
 Diesel as specified under a TCEQ approved Alternative Emission Reduction Plan– [30 TAC 114.318]

15a. If a TCEQ approved Alternative Diesel Formulation is used, please provide the TCEQ assigned identification number: TXLED - \_\_ - 00 \_\_\_\_\_

15b. If a CARB certified Alternative Diesel Formulation is used, please provide the CARB Executive Order number: \_\_\_\_\_

16a. Has your company submitted an Alternative Emission Reduction Plan?  Yes  No

16b. If YES, has the Alternative Emission Reduction Plan been approved?  Yes  No

16c. Does your company intend to operate under the Alternative Emission Reduction Plan for Producers of Biodiesel Blends that will expire on December 31, 2007?  Yes  No

**Section IV:** You may use this form to report confidential data. If you do, place a ✓ mark in the following box.  **CONFIDENTIAL**

17. Anticipated TxLED Distribution Date: \_\_\_\_/\_\_\_\_/\_\_\_\_
- 18a. Total number of barrels of diesel fuel produced or imported by your company in the 12 months prior to the date of registration that your company sold or supplied for use in any of the 110 Texas Counties affected by the TxLED regulations (See question 19 for list of Texas Counties affected by the TxLED rules):  
\_\_\_\_\_ Barrels
- 18b. Estimated total number of barrels of TxLED that your company is planning to produce or import in the 12 months following the anticipated TxLED distribution date that your company intends to sell or supply for use in any of the 110 Texas Counties affected by the TxLED regulations (See question 19 for list of Texas Counties affected by the TxLED rules): \_\_\_\_\_ Barrels
- 18c. If applicable, estimated total number of barrels of TxLED that your company is planning to produce or import under an **alternative emission reduction plan** in the 12 months following the anticipated distribution date that the your company intends to sell or supply for use in any of the 110 Texas Counties affected by the TxLED regulations (See question 19 for list of Texas Counties affected by the TxLED rules): \_\_\_\_\_ Barrels

19. Affected Counties: *(please place a ✓ mark in the appropriate boxes of all the counties estimated to receive TxLED that is produced or imported by your company)*

**INSTRUCTIONS TO COMPLETE TCEQ- 20106 (05-07)  
FOR TxLED PRODUCER AND IMPORTER REGISTRATION**

---

Complete the form indicating the activities of your company. Please type or print information using dark colored ink. If using a photocopied version of the form, please ensure the copy is clean and has been copied to 100% of the original page size.

***Significant Regulatory Citations:***

30 TAC 114.6(14) – Low emission diesel fuel (LED)--Any diesel fuel: (A) sold, intended for sale, or made available for sale that may ultimately be used to power a diesel fueled compression-ignition engine in the counties listed in §114.319 of this title (relating to Affected Counties and Compliance Dates); (B) that the producer knows, or reasonably should know, may ultimately be used to power a diesel fueled compression-ignition engine in counties listed in §114.319 of this title; and (C) complies with the standards specified in §114.312 of this title (relating to Low Emission Diesel Standards).

30 TAC 114.314(a) – Each producer and importer that sold, offered for sale, supplied, or offered for supply diesel fuel from its production facility or import facility that may have been used in counties listed in §114.319 of this title (relating to Affected Counties and Compliance Dates) on or before April 1, 2005, shall register with the executive director by May 1, 2005.

30 TAC 114.314(b) – Each producer or importer that did not begin to sell, offer for sale, supply, or offer to supply diesel fuel from its production facility or import facility that may ultimately be used in counties listed in §114.319 of this title until after April 1, 2005, shall register with the executive director at least 30 days prior to the first date the diesel fuel is to be made available for use in the listed counties.

***Section Instructions***

**Note: You may use this form to report confidential data relating to fuel properties and distribution data. If you do, place a ✓ mark on the box marked “CONFIDENTIAL” in each Section heading that you wish to keep confidential.**

**Section I:**

1. Registration Type: Place a ✓ mark in the appropriate box that indicates whether this is the “Original” first time registration for this company under the TxLED program or if this is an update of a previously submitted registration.

**Section II:**

2. Company ID #: Leave Blank if this is an original registration. A Producer or Importer identification number will be assigned to your company by the TCEQ when your company has been registered under the TxLED program. If this is an “Update”, please provide your TCEQ assigned Producer or Importer identification number, e.g. P 25 or I 56.
3. Company Name: Your company’s legal business name.
4. Business address: Provide the mailing address of the company office primarily responsible for managing your company’s compliance with the TxLED regulations.
- 5 -7. City, State, Zip: Enter the city, state and zip code of the business mailing address. Please provide the zip code extension if known.
8. Contact Name: The person at your company whom the TCEQ may contact regarding questions relating to your company’s compliance with the TxLED regulations.
9. Title: The business title of the contact person.
10. Telephone #: The telephone, including the area code and extension of the contact person.
11. Fax #: The facsimile number, including the area code for the contact person.

12. E-Mail: The e-mail address for the contact person.
13. Business Activity: Place a ✓ mark in the appropriate box to select the type of business activity that will best describe your company's participation under the TxLED program:

*Producer* – Any person, who owns, leases, operates, controls, or supervises a production facility and/or produces TxLED for use in any of the 110 Texas Counties affected by the TxLED regulations.

*Importer* – Any person, except a person acting as a common carrier, who is not a producer and imports diesel fuel into the state for use in any of the 110 Texas Counties affected by the TxLED regulations

### **Section III:**

- 14a. Place a ✓ mark in the appropriate box to select “Yes” or “No” to indicate whether your company produces or imports TxLED that may be used in any of the 110 Texas Counties affected by the TxLED regulations?

If your answer is “Yes”, then complete the registration form as required. If your answer is “No”, then your company is not required to register for the TxLED program as specified under 30 TAC 114.314 of the TxLED regulations.

- 14b. Place a ✓ mark in each box as appropriate to indicate the types of TxLED that your company will be producing or importing for use in any of the 110 Texas Counties affected by the TxLED regulations.

- 15a. If a TCEQ approved Alternative Diesel Formulation is used to produce the TxLED that your company will be selling or supplying for use in any of the 110 Texas Counties affected by the TxLED regulations, please provide the corresponding TCEQ assigned identification number, i.e., TxLED-A-0007.

**Note: The list of TCEQ approved Alternative Diesel Formulations is available on TCEQ's TxLED webpage at <http://www.tceq.state.tx.us/implementation/air/sip/cleandiesel.html#Formulations>.**

- 15b. If a California Air Resources Board (CARB) certified Alternative Diesel Formulation is used to produce the TxLED that your company will be selling or supplying for use in any of the 110 Texas Counties affected by the TxLED regulations, please provide the corresponding CARB Executive Order number.

**Note: Only those Alternative Diesel Formulations certified by CARB after January 18, 2005, will be accepted by TCEQ, with the exception of those certified for Small Refinery Compliance measures.**

- 16a. Place a ✓ mark in the appropriate box to select “Yes” or “No” to indicate whether or not your company has submitted an Alternative Emissions Reduction Plan to the TCEQ in accordance with 30 TAC 114.318 of the TxLED regulations?

- 16b. If you answered “Yes” to Question 16a, place a ✓ mark in the appropriate box to select “Yes” or “No” to indicate whether or not the Alternative Emission Reduction Plan submitted by your company has been approved by the TCEQ.

- 16c. Place a ✓ mark in the appropriate box to select “Yes” or “No” to indicate whether or not your company intends to operate under the Alternative Emission Reduction Plan for Producers of Biodiesel Blends that will expire on December 31, 2007?

### **Section IV:**

17. Provide the date that your company will begin or has begun distribution of TxLED in any of the 110 Texas Counties affected by the TxLED regulations.

- 18a. Provide the total number of barrels of diesel fuel produced or imported in the 12 months prior to the date of registration that your company sold or supplied for use in any of the 110 Texas Counties affected by the TxLED regulations

- 18b. Provide the estimated total number of barrels of TxLED that your company is planning to produce or import in the 12 months following the anticipated TxLED distribution date that your company intends

to sell or supply for use in any of the 110 Texas Counties affected by the TxLED regulations.

- 18c. If applicable, provide the estimated total number of barrels of TxLED that will be produced under a TCEQ approved Alternative Emission Reduction Plan in the 12 months following the anticipated distribution date that your company intends to sell or supply for use in any of the 110 Texas Counties affected by the TxLED regulations.
19. Place a ✓ mark in the appropriate boxes to indicate all of the applicable Affected Texas counties that may receive the TxLED that is produced or imported by your company.

**Certification:**

20. Responsible Corporate Officer: The business owner, an officer of the corporation, or a person delegated with the authority in writing by the business owner or an officer of the corporation to sign this registration. This person should be knowledgeable about the requirements of the 30 TAC 114.312–114.319 rules and hold a position of authority within the company.
21. Title: The business title of the responsible corporate officer or business owner.
22. Signature: This form must be signed by the responsible corporate officer or business owner to constitute a valid registration.
23. Date: The date upon which the registration form was signed. Use the MM/DD/YYYY date format.

**Mail the completed registration form to:**
